

# Mahuri End of Year Update

The end of our school year is fast approaching and there are lots of things happening and dates to remember! I hope the list of dates and information, on the other side of this page, is helpful during this busy time.

This is our final newsletter for the year and all the Mahuri Hub teachers would like to say a big thank you to, firstly, your children whom we have become very attached to and will look forward to watching their continued progress next year and beyond.

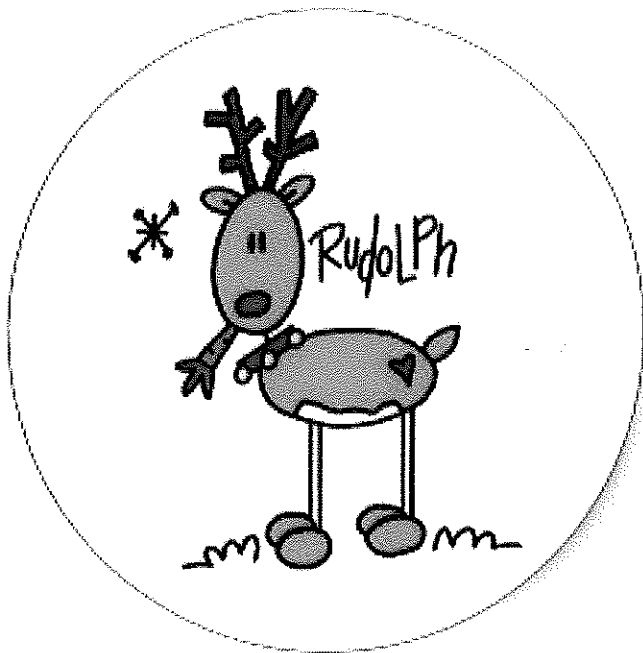

Thank you, also, parents and caregivers who we have enjoyed getting to know throughout the year and chatting to. Thank you also to parents who have donated their time in the Hub to help the children in their learning, this is very much appreciated.

Lastly a huge thank you to our Teacher Aide, Suzie Chalk, who is so dedicated and committed to ensuring the best outcomes for our children both academically and socially. Suzie quietly goes about her day and provides extra support for many of our children in many areas of the curriculum. The children all look forward to their turn to work with her.

At the end of this term we have some children to farewell along with one of our teachers, Tish Oates, who joined us in Term 4. It is a difficult task to establish relationships and continue the education of the children seamlessly when entering a school during the final term, however Tish has worked hard to achieve this and we thank her for her enthusiasm and commitment she brings.

Deb Lamont will temporarily leave the Dinosaur Room; however, she will be a regular face during term 1, especially covering Andrea Muir's wedding leave early next year and again towards the end of the 1<sup>st</sup> term as Andrea heads to South Africa for her honeymoon.

Andrea Muir has a very exciting year ahead and we all wish her the best for her impending wedding early next year! Andrea will be changing her surname from Muir and be known as Mrs. Toms. *(Andrea, we hope all your plans over the holidays go smoothly and the sun shines! We know this day will be a day for making long lasting memories.)*

## End of term information
