Subject:	SCHOOL BUS HIGH-VIS VESTS

Dear Parents/Caregivers,

Please find below information on the new procedure for school bus high-vis vests:

Afternoons

- As students are lined up into bus routes they will be given a high-vis vest to wear until they reach home.

Mornings

- Please ensure your child is wearing the high-vis vest when they leave home. When students arrive at the bus yard the high-vis vests are to be placed into bins. (Someone from Methven Travel will be there tomorrow morning to assist students for the first time).
